SUBJECT: COMPLETION OF BIRCHWOOD SCHOOL GYM REFINISH JOB

Dear Jeff,

Thank you for the excellent job of refinishing our gym floor! We are very pleased with how well the project turned out.

Over the years I have worked with many different service related companies, and I must conclude that our contacts with you have been among the best! From start to finish, it was a pleasure working with you.

Your work crew was hard working and cordial . . . they really seemed as though they wanted to do a terrific job, which they did. We appreciated your ongoing consultation during the project, but most of all we appreciate your being on schedule.

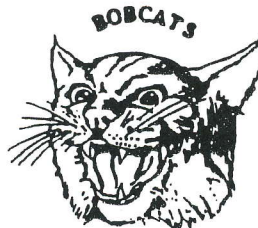

I will make sure that I mention your company of other colleagues! We now have a gym floor that we can be proud of for years to come.

Sincerely,

Frank Helquist
Superintendent
