

January 3, 2012

To Whom It May Concern:

I write this letter of support for Baseman Bros., Inc. as they were the contractor for the sanding and finishing of the Albee Hall main gym floor at the University of Wisconsin Oshkosh during the summer of 2011.

Simply put, they did an OUTSTANDING job. It started with very good communication about every aspect of the project. They adhered to the timeline for the project and demonstrated superior workmanship. This included the application of not only the gym floor finish but also very crisp, eye catching floor graphics.

Baseman Bros. were instrumental in restoring the luster of the "old campus PE gym" and transforming it into a very marketable and competitive game floor.

Having been in the sport facilities business for over 25 years, I highly recommend their services. If you have questions, please contact me at your convenience at the telephone number below.

Sincerely,

Thomas R. Patt  
Director of Student Recreation  
UW Oshkosh
